

## **JAN ROKICH**

Controller of HOA Management of Utah, LLC

As Controller of HOA Management of Utah, Ms. Rokich is anxious to use her skills in working with Homeowners Associations to better understand their financial position. Ms. Rokich hopes to put her knowledge of accounting and banking, both from the small business side and the banking side, to use in bettering the HOA community.

- Ms. Rokich has an accounting degree from the University of Utah.
- Ms. Rokich has several years of experience working in the property management industry, primarily managing accounting functions.
- Ms. Rokich has over 23 years banking experience and managed loan portfolios totaling in excess of \$20,000,000, as well as managed several branch offices.
- Ms. Rokich prepared client financial analysis reports for several financial institutions, and prepared budgets for bank clients.
- Ms. Rokich had completed both the 6 and 63 Security Dealers licenses.
- Ms. Rokich has also been involved in the HVAC industry as controller, completed payroll, ordered inventory, managed accounts receivable and accounts payable, and prepared government reports.
- Ms. Rokich has also collected delinquent customer accounts at financial institutions, and as controller with a HVAC company.
- Ms. Rokich was a volunteer for the 2002 Winter Olympics working with the financial director at the Rice Eccles Stadium.
